**ATTORNEY GENERAL OF CANADA, ONTARIO PUBLIC SERVICE
EMPLOYEES' UNION PENSION PLAN BOARD OF TRUSTEES, and
ONTARIO PUBLIC SERVICE PENSION BOARD**

Defendants

Proceeding under the *Class Proceedings Act, 1992*

FINAL SETTLEMENT AGREEMENT

WHEREAS:

- A. Certain employees who elected to transfer their pensionable service from the Ontario Public Service Employees' Union Pension Plan ("**OPSEU Plan**") or the Ontario Public Service Pension Plan ("**PSPP**") to the Federal Public Service Superannuation Plan ("**PSSP**") after accepting employment with the Canada Revenue Agency as part of the Ontario Sales Tax Administration Reform ("**OSTAR**") process, allege that they experienced increased costs in transferring their pensionable service to the PSSP as a result of the change in assumptions underlying the PSSP made following the statutory triennial actuarial review, which change was scheduled for November 1, 2012.

- B. On November 28, 2014, this proposed class proceeding (the "**Class Action**") was commenced by Sean Thomas, Michael Dayal, Douglas Robinson, Lindsay Webb and Diana Scanlon (the "**Plaintiffs**") against Canada, the OPSEU Pension Plan Trust Fund ("**OPTrust**")¹, and the Ontario Public Service Pension Board ("**OPB**") (together, the "**Defendants**").
- C. The allegations in the Class Action are set out in the Statement of Claim dated November 28, 2014 attached as Schedule "A", as further amended pursuant to paragraph [3.01] of this agreement. The Plaintiffs claim, on behalf of themselves and Class Members, that they suffered financial losses as a result of not being advised of the pending change in actuarial assumptions scheduled for November 1, 2012.
- D. The Plaintiffs and Defendants (together, the "**Parties**"), subject to the Approval Order being issued and the expiration of the Opt Out Period without the Opt Out Threshold being met, have agreed to settle the Class Action upon the terms contained in this Final Settlement Agreement ("**FSA**"). - 2.05.** Class Members who wish to Opt Out of the proceeding may do so during the Opt Out Period, and will no longer be Class Members or subject to the release in this FSA. The Notice of Certification and Court approval of the FSA set out in **Schedule "F"** will include an opt out form generally in the form attached as **Schedule "G"** (an "**Opt Out Form**"). Opt Out Forms shall be submitted to Class Counsel in the manner prescribed by the Opt Out Form. 3. Class Definition

- 3.01.** The Parties agree that the class (the "**Class**") will be defined as follows:

All persons who became employees of the Canada Revenue Agency prior to November 1, 2012, as part of the Ontario Sales Tax

Administration Reform ("OSTAR") process, who transferred their pensionable service from the OPSEU Pension Plan or the Public Service Pension Plan to the Public Service Superannuation Plan, and whose pension transfers were completed on the basis of the actuarial assumptions that took effect in the Public Service Superannuation Plan on November 1, 2012.

4. Calculation of Payment Amounts

4.01. The total amount assessed as payable to Class Members shall not exceed the sum of two million, eight-hundred thousand dollars (\$2,800,000). No amounts will be deducted from this amount for the costs of administering this agreement.

4.02. The Defendants agree to pay the following amounts towards the amount referred to in section 4.01 above:

- a.** Canada will pay a total of \$2,567,000, all inclusive;
- b.** OPTrust will pay a total of \$195,000, all inclusive; and
- c.** OPB will pay a total of \$38,000, all inclusive.

OPTrust and OPB will pay these amounts to Canada within 60 days of the Implementation Date, to be administered pursuant to this FSA.

4.03. The compensation payable to individual Class Members shall be allocated on the following basis:

4.03.01. The Parties agree on the following definitions for three groups of Class Members for the purposes of distribution of settlement amounts:

Group 1: Any Class Member who signed their Appendix B1 form before November 1, 2012, or, all else being equal, would have signed their Appendix B1 form before November 1, 2012 if all timelines under the Pension Transfer Agreement had been met by the Defendants.

By way of example, a Class Member who signed their Appendix B1 form on November 9, 2012 but for whom one or more Defendants exceeded timelines in the Pension Transfer Agreements by a total of 10 days would fall into Group 1.

Group 2: Any Class Member who is not part of Group 1 and whose Appendix B1 form was issued before November 1, 2012, or, all else being equal, whose Appendix B1 form would have

been issued before November 1, 2012 had all timelines under the Pension Transfer Agreement been met by the Defendants.

By way of example, a Class Member whose Appendix B1 form was issued on November 9, 2012 but for whom one or more Defendants exceeded timelines in the Pension Transfer Agreements by a total of 10 days would fall into Group 2.

Group 3: Class Members who do not fall into one of the above categories.

For the purposes of calculating whether the time limits in the applicable Pension Transfer Agreement have been met, the “three month” time limits in the Pension Transfer Agreements shall be calculated in accordance with the *Interpretation Act*, RSC 1985 c I-21.

4.03.02. The Plaintiffs and Canada agree that compensation for individual Class Members will be calculated as follows:

Step One: Canada will calculate the difference between the Federal Transfer Amount that would have applied to each Class Member based on the Old Actuarial Assumptions and the Federal Transfer Amount that was applied for the Class Member based on the New Actuarial Assumptions, as at the Payment Date. Canada will then apply the following percentages to the difference to determine the Initial Estimate of Payment, which will subsequently be adjusted as provided in Step Two.²

- Group 1: 85% of the difference calculated at step one, above;
- Group 2: 65% of the difference calculated at step one, above;
- Group 3: 50% of the difference calculated at step one, above.

Step Two: Canada will determine the difference between the total amount that would be owed to the Class based on the above calculation in Step One and \$2.8 million. Canada will

² For individuals who have already received compensatory payments from OPB, OPB will advise Canada of the names of those individuals and the amounts of those payments prior to the commencement of the estimation process. Canada will adjust the Initial Estimate of Payment for those individuals by subtracting any amount that has already been paid by OPB.

then pro rate the amounts determined in Step One up or down to bring the total amount of all payments to \$2.8 million.

4.04. Amounts payable to Class Members under this FSA are inclusive of any pre-judgement or post-judgement interest and any other amounts that may be claimed by Class Members.

4.05. For greater clarity, the Parties agree that no Class Member shall owe any money or be required to make any payment to a Defendant as a result of this FSA or the calculations or processes undertaken pursuant to it.

4.06. Notwithstanding section 4.05, the Parties agree to work collaboratively to remedy any errors in payments made pursuant to this FSA.

4.06.01. In the case of an overpayment, Canada agrees to provide notice to Class Counsel, in writing, of any suspected overpayment and the basis for Canada's belief in the overpayment. If Canada and Class Counsel agree that an overpayment has occurred, Canada may recover the overpayment in accordance with the *Financial Administration Act*.

4.06.02. In the case of an underpayment, the Parties agree to notify each other of suspected underpayments. If the Canada and Class Counsel agree that an underpayment has occurred, the underpayment shall be remedied by Canada's issuing a supplementary payment.

4.06.03. In the event that Canada and Class Counsel cannot agree with respect to the above, they will appoint a third party to make a final and binding determination of the matter, with notice provided to the affected Class Member to enable them to participate in that determination.

4.07. Payments to Class Members shall be made without withholding any amounts for income tax or other purposes. Individual Class Members are responsible for addressing any tax consequences of their payments. The Defendants make no warranty as to the taxation of these amounts. Class Members will be advised to seek independent advice on the taxation of the amounts.

5. Verification and Payment Process

5.01. Within 30 days of the Implementation Date, Canada will provide Class Counsel with a preliminary list sorting the Known Class Members into the three groups set out in section 4.03.01, above. Canada will also provide an electronic file for each Class Member that includes: the dates each step

in the Pension Transfer Agreement were completed, and the calculation of the difference between the Federal Transfer Amount that would have applied to the Class Member based on the Old Actuarial Assumptions and the Federal Transfer Amount that was applied for the Class Member based on the New Actuarial Assumptions, as at the Payment Date. The electronic file produced by Canada shall be substantially in the form of the table of information provided to the Plaintiffs for the purposes of settlement.

5.02. Within 30 days of receiving the preliminary lists, Class Counsel and Canada will work together to finalize the lists of Known Class Members based on the above information and any other information in Canada's possession, and to determine whether each Class Member falls into Group 1, 2, or 3, as defined above. Class Counsel shall determine which Group a Class Member falls into if Class Counsel and Canada cannot agree. OPB will be provided with the list of Known Class Members to identify to counsel for Canada and the Plaintiffs, the Class Members to whom payments have already been made. The parties agree that any amounts already paid to Class Members will be deducted from the amounts calculated for those Class Members at Step One of section 4.03.02.

5.03. Within 60 days of Class Counsel and Canada agreeing on which Class Members are to be included in each Group, Canada agrees to send, at its own expense, a Notice of Initial Estimate of Payment to each Known Class Member by email, where a Class Member has consented to receive such information by email, or registered mail to the Class Member's last known address, in the form set out in **Schedule "H"**. The Notice of Initial Estimate of Payment shall identify the preliminary amount that the Class Member would be entitled to based on Step One of section 4.03.02 above as well as the basis on which that individual Class Members' calculation was made. In addition to explaining the group structure in this FSA, the Notice of Initial Estimate of Payment will also include the following information:

- i) The Federal Transfer Amount under the Old Actuarial Assumptions at Payment Date;
- ii) The Federal Transfer Amount under the New Actuarial Assumptions, at Payment Date;
- iii) The dates that were used to determine the class member's grouping in accordance with section 4.03.01;
- iv) The Initial Estimate of Payment for the Class Member, pursuant to the calculations in section 4.03.02 above;
- v) A clear statement that the Initial Estimate of Payment is a preliminary estimate that will change depending upon the final

number of Class Members in each group and the aggregate cap agreed to by the Parties.

- 5.04.** The Notice of Initial Estimate of Payment shall provide that Class Members will have 60 days from the date they receive the Notice of Payment to raise with Class Counsel (and not the Pension Centre) any concerns with respect to the information contained therein. Class Members must raise any concerns directly and exclusively with Class Counsel, including the basis and evidence in support of their concerns. Class Counsel will review the circumstances and determine whether there is an issue to be raised with Canada on a rolling basis. All issues with respect to estimated payments shall be raised with Canada within 120 days from the date on which the last Notice of Initial Estimate of Payment is issued.
- 5.05.** Any individual who did not receive Notice of Initial Estimate of Payment but believes they are a Class Member will have 120 days from the date on which the last Notice of Initial Estimate of Payment is issued to come forward and identify themselves to Class Counsel. Class Counsel will review the situation and determine whether there is an issue to be raised with Canada.
- 5.06.** Class Counsel will be responsible for responding to inquiries from Class Members or potential Class Members throughout this process, including to answer any questions and address any issues that may arise. Canada will provide Class Counsel with the information necessary to review and respond to these inquiries in consultation with OPTrust and OPB where necessary. For greater certainty, OPTrust and OPB have no responsibility to respond to inquiries from Class Counsel, Class Members or potential Class Members. Where a Class Member raises an issue that involves their grouping, Canada will provide Class Counsel with copies of available documentation used to establish the Member's assigned group.
- 5.07.** Class Counsel and counsel for Canada will meet within 30 days of the completion of the deadline in section 5.05 above to discuss any issues that arise from sections 5.04 or 5.05 and attempt to resolve them, including any disputes about the proper calculation of compensation for an individual Class Member or whether an individual who was not previously a Known Class Member is a member of the Class. In the event that Class Counsel and Canada cannot agree on a resolution, or the Class Member does not accept that resolution, Class Counsel and Canada will agree to select and appoint a third party to make a final and binding determination of the matter.
- 5.08.** Upon agreement between Class Counsel and Canada or binding determination of any disputes Class Counsel and Canada cannot resolve,

Canada will make any necessary adjustments to the estimated amounts in the Notice of Initial Estimate of Payment to be paid to each Class Member. Canada will follow the two-step process identified in section 4.03, above, for the purpose of making any such adjustments.

- 5.09.** Within 120 days of Class Counsel and Canada reaching an agreement or a binding determination of any disputes they cannot resolve, Canada will issue final payments directly to Class Members in the amounts determined through the process set out above. Final payments shall be issued by cheque or by Direct Deposit where a Class Member has provided the necessary banking information. A letter advising the Class Member to seek advice with respect to the tax consequences of the payment will also be sent to Class Members by regular mail or email where consent to receive personal information by email is received by the Pension Centre.
- 5.10.** Canada agrees to make all reasonable efforts to ensure that Class Members are located and that final payments are issued to Class Members within the deadline specified in 5.09. Class Counsel and Canada will meet between 120 and 150 days after the issuance of final payments to address any instances in which payment has not successfully been made. In the event that Class Counsel and Canada cannot agree on how to resolve any such instances or how to dispose of any excess amounts that cannot be paid, they will appoint a third party to make a final and binding determination of the matter. The Parties agree, however, that any cheques returned as non-deliverable where the intended recipient cannot otherwise be located will not be used to increase the amounts paid to Class Members.
- 5.11.** The Parties agree that OPTrust and OPB will not be directly involved in implementing the process described in sections 4 and 5 of this agreement, except to the extent provided in section 4. OPTrust and OPB agree to provide information to Canada in response to reasonable requests in order to assist with the resolution or determination of any issues raised in the verification process or the implementation of this FSA.

6. Release

- 6.01.** Upon approval by the Court of this FSA, and subject to the FSA not being voided pursuant to the Opt Out provisions in 9.02, the Plaintiffs and Class Counsel agree that the Class Action, and the claims of the Class Members and the Class as a whole, are dismissed against the Defendants, without costs and with prejudice, and that such dismissal shall be a defence and absolute bar to any subsequent action by the Releasers against any of the Releasees in respect of any of the claims or any aspect of the claims made or which could have been made in the Class Action and relating to the subject matter hereof.

- 6.02.** Notwithstanding the above, nothing in this FSA precludes any Class Member from pursuing any claim or process related to their pensions that is not related to any of the issues raised in the Class Action.
- 6.03.** The Defendants' obligations under this FSA constitute the consideration for the Release described herein and the other matters referred to in this FSA and such consideration is in full and final settlement and satisfaction of any and all claims referred to in this Section and the Releasor(s) are limited to the benefits provided and compensation payable pursuant to this FSA, in whole or in part, as their only recourse on account of such claims.
- 6.04.** The Plaintiffs and Class Counsel agree that all necessary steps will be taken to obtain or effect a dismissal of the Class Action, without costs.

7. Settlement Approval

- 7.01.** The Parties agree that they will seek the Court's approval of this FSA in full and final settlement of all claims, as negotiated in this FSA, and will consent to the terms of an Approval Order substantially in the form attached as **Schedule "J"**.
- 7.02.** Upon execution of this FSA, the Parties will cooperate and make best efforts to obtain consent certification and approval of this FSA. In this regard, Canada agrees to provide evidence in support of a motion seeking approval of the Notice Plan attached as Schedule "C", and a motion seeking approval of this FSA substantially in the form of the Order attached as Schedule "J", including affidavit evidence outlining its ability to contact Class Members and the process by which the table of information provided to the Plaintiffs for the purposes of settlement discussions was compiled.
- 7.03.** The motions for conditional consent certification and for approval of this FSA will be prepared by the Plaintiffs and must be approved by the Defendants prior to being filed with the Court. The Parties agree to make a joint request to have the motions heard in one sitting.

8. Legal Services and Fees

- 8.01.** Within 45 days of the Implementation Date, the Defendants shall make the following payments to Class Counsel, in trust, for the legal costs of the proceedings:
- a.** Canada agrees to pay \$200,000;
 - b.** OPTrust agrees to pay \$25,000;
 - c.** OPB agrees to pay \$25,000.

- 8.02.** The fee amounts and structure set out above are inclusive of taxes and disbursements, and are separate and in addition to the compensation paid to Class Members.
- 8.03.** Class Counsel agrees to provide reasonable assistance at no charge to Class Members throughout the verification and payment process set out in Article 5 of this FSA. Class Counsel agrees that no amounts shall be deducted from any payments made to Class Members on accounts of legal fees.
- 8.04.** The Defendants shall take no position on the motion to approve the legal fees of Class Counsel unless requested to make submissions by the Court in which case, the Defendants will not oppose the fees requested by Class Counsel.
- 8.05.** The Parties will request that the Court order that no fee may be charged to Class Members in relation to the claims under this FSA by any counsel without prior approval of the Court.

9. Conditions and Termination

- 9.01.** This FSA will not be effective unless and until it is approved by the Court or confirmed on appeal (if any), and, if such approval is not granted, this FSA will thereupon be terminated and none of the Parties will be liable to any of the other Parties to this FSA for such termination.
- 9.02.** If the total number of Class Members who have delivered a valid Opt Out Form exceeds 10% of the total number of Class Members listed in Schedule "I", or 20% of the total number of Class Members related to either OPTrust or OPB, or if the claims calculated in accordance with Step One of articles 4.03.01 and 4.03.02 for those Class Members exceeds the amount which reflects 20% of the total amount of the claims related to either OPTrust or OPB, each affected Defendant may, in its discretion, within 60 days after the end of the Opt Out Period, exercise the option to void this FSA, in which case the Approval Order will be set aside in its entirety, including the conditional certification, the amendment of the Statement of Claim, and the dismissal of the action.
- 9.03.** If the quantum of the legal fees and disbursements set out in section 8 is not approved by the Court or confirmed on appeal (if any), section 8 shall be regarded as severed while the rest of this FSA shall remain in full force and effect.
- 9.04.** Except as expressly provided in this FSA, no amendment or supplement may be made to the provisions of this FSA and no restatement of this FSA may be made unless agreed to by the Parties in writing and any such amendment, supplement or restatement is approved by the Court without any material difference.

10. Confidentiality

- 10.01.** Any information provided, created or obtained in the course of this settlement, whether written or oral, will be kept confidential by the Parties and the Parties' counsel, and will not be shared or used for any purpose other than this settlement unless otherwise agreed by the Parties or as otherwise provided for or required by law.
- 10.02.** Save as may otherwise be agreed between the Parties, the undertaking of confidentiality as to the discussions and all communications, whether written or oral, made in and surrounding the negotiations leading to the Term Sheet and this FSA continues in force and in perpetuity, notwithstanding the termination or voiding of this FSA.
- 10.03.** The Parties agree that Class Counsel can provide the names of Class Members to their certified bargaining agents if necessary for the purpose of locating Class Members.

11. General

- 11.01.** This FSA will be governed and construed in accordance with the laws of the province of Ontario. For greater clarity, the *Interpretation Act*, RSC 1985 c I-21 shall apply for the specific purpose described in ss. 4.03.01 above notwithstanding this provision.
- 11.02.** This FSA is not to be construed as an admission of liability or wrongdoing by the Defendants.
- 11.03.** Subject to Section 9.04 regarding amendments, this FSA constitutes the entire agreement among the Parties with respect to the subject matter of this FSA and cancels and supersedes any prior or other understandings or agreements between or among the Parties with respect thereto, including the Term Sheet. There are no representations, warranties, terms, conditions, undertakings, covenants or collateral agreements, express, implied or statutory between or among the Parties with respect to the subject matter of this FSA other than as expressly set forth or referred to in this FSA.
- 11.04.** Any payments owing under this FSA to a deceased Class Member will be paid to the deceased Class Member's estate. Any additional costs or steps required to receive payment shall be borne by the Class Members' estate. Should a Class Members' estate elect not to receive the payment, that amount shall be dealt with under section 5.10 of this FSA.
- 11.05.** This agreement may be executed in any number of counterparts, each of which will be deemed to be an original and which, taken together, will be deemed to constitute one and the same FSA.

The Parties

2. The Plaintiffs, Sean Thomas and Michael Dayal, reside in Ottawa, Ontario. Mr. Thomas and Mr. Dayal bring this action on their own behalf and on behalf of a class of persons that transferred their pensions from the OPSEU Pension Plan to the Public Service Superannuation Plan ("PSSP"), after they accepted employment with the Canada Revenue Agency as part of the OSTAR process, and whose pension transfers were calculated on the basis of the actuarial assumptions that took effect on November 1, 2012 ("OPSEU Class").

3. The Plaintiff, Lindsay Webb, resides in London, Ontario. Ms. Webb brings this action on her own behalf and on behalf of a subclass of the OPSEU Class, being

persons whose pension transfers from the OPSEU Pension Plan to the PSSP were not processed within the time limits prescribed in the Pension Transfer Agreements or within a reasonable time ("OPSEU Subclass").

4. The Plaintiff, Douglas Robinson, resides in Oakville, Ontario. Mr. Robinson brings this action on his own behalf and on behalf of a class of persons that transferred their pensions from the Public Service Pension Plan ("PSPP") to the PSSP, after they accepted employment with the Canada Revenue Agency as part of the OSTAR process, and whose pension transfers were calculated on the basis of the actuarial assumptions that took effect on November 1, 2012 ("PSPP Class").

5. The Plaintiff, Diana Scanlon, resides in Toronto, Ontario. Ms. Scanlon brings this action on her own behalf and on behalf of a subclass of the PSPP Class, being persons whose pension transfers from the PSPP to the PSSP were not processed within the time limits prescribed in the Pension Transfer Agreements or within a reasonable time ("PSPP Subclass").

6. The Defendant, Attorney General of Canada, is named in his capacity as representative for Her Majesty the Queen in right of Canada ("Federal Government"). The Federal Government is the administrator of the PSSP, the pension plan for federal public service employees. The PSSP is administered through the Government of Canada Pension Centre ("Pension Centre"), which operates out of the Department of Public Works and Government Services.

7. The Defendant, the Ontario Public Service Employees' Union Pension Plan Board of Trustees ("OPTrust"), is named in its capacity as administrator of the OPSEU Pension Plan, jointly sponsored by the Government of Ontario and the Ontario Public Service Employees' Union, pursuant to the *Ontario Public Service Employees' Union Pension Act, 1994*, SO 1994, c 17, s 143, Sched.

8. The Defendant, Ontario Public Service Pension Board ("OPB"), is named in its capacity as the administrator of the PSPP sponsored by the Government of Ontario, pursuant to the *Public Service Pension Act*, RSO 1990, c P.48.

Background

9. The Plaintiffs were employed by the Government of Ontario from various dates until February 29, 2012:

- a. Mr. Thomas started his employment in the Ministry of Revenue on September 13, 2004. At the time his employment ceased with the Government of Ontario, he was working in the position of Tax Auditor in Ottawa, Ontario.
- b. Mr. Dayal started his employment in the Ministry of Revenue on April 10, 2007. At the time his employment ceased with the Government of Ontario, he was working in the position of Tax Auditor in Ottawa, Ontario.
- c. Ms. Webb started her employment with the Government of Ontario on June 14, 2004. She worked in various Ministries, before starting with the Ministry of Revenue in May, 2007. She had a break in service from December 7, 2007 to March 17, 2008. At the time her employment ceased with the Government of Ontario, she was working in the position of Collection Officer in the Ministry of Revenue, in London, Ontario.
- d. Mr. Robinson started his employment in the Ministry of Revenue on March 25, 1985. At the time his employment ceased with the Government of Ontario, he was working in the position of Audit Manager in Mississauga, Ontario.
- e. Ms. Scanlon started her employment in the Ministry of Revenue on October 23, 2000. At the time her employment ceased with the Government of Ontario, she was working in the position of E-Learning Specialist in Oshawa, Ontario.

10. At the time their employment ceased in the Ministry of Revenue, Mr. Thomas, Mr. Dayal, and Ms. Webb were participating in the OPSEU Pension Plan, administered by the OPTrust.

11. At the time their employment ceased in the Ministry of Revenue, Mr. Robinson and Ms. Scanlon were participating in the PSPP, administered by the OPB.

12. As part of the OSTAR process, responsibility for the administration of provincial sales tax was transferred from the Government of Ontario to the Federal Government. As a result, the Plaintiffs and other employees in the Ministry of Revenue were advised that their positions were being transferred to the Canada Revenue Agency ("CRA"), pursuant to a Human Resources Agreement signed between the CRA and the Province of Ontario.

13. The CRA made offers of employment to the Plaintiffs on or around December 17, 2010.

14. The Ministry of Revenue employees that accepted offers from the CRA were transferred to the CRA in two "waves", the first of which occurred on or around November 25, 2010. The Plaintiffs accepted the offer from the CRA, and were part of the larger, second wave, which occurred on or around March 1, 2012.

15. The Plaintiffs and other Ministry of Revenue employees that accepted the job offers from the CRA were given two options regarding their pensions: their pensions could remain with the OPSEU Pension Plan or the PSPP, as the case may be (the "Ontario Plan"), in which case they would continue to accrue interest until the employees retired; or, they could transfer their pensionable service from their Ontario Plan to the PSSP.

Pension Transfer Agreement

16. The process for transferring pensions from the Ontario Plans to the PSSP is prescribed in two documents, both titled *Memorandum of Agreement (Transfer of Pension Funds and Related Service)* ("Pension Transfer Agreements" or "PTAs").

17. The steps in the transfer process in the PTAs are as follows:

- a. The employee submits a form titled Appendix A1 (Request for Transfer Estimate) ("Appendix A1") to the Ontario Plan. This form gives consent to the Ontario Plan to disclose pension information to the Federal Government. The earliest date on which an employee could submit Appendix A1 was the date the employee became a contributor under the PSSP. The deadline for submitting this form was within one year of the date the employee received notice of contributory status under the PSSP.
- b. The Ontario Plan completes the remainder of Appendix A1, and provides an estimate of the amount of funds available for transfer from the Ontario Plan, and sends it to the President of the Treasury Board of Canada ("Minister"). The deadline for the Ontario Plan to complete this step is within 3 months of receipt of Appendix A1 from the employee.
- c. The Minister completes Appendix B1 (Request for Transfer of Service Credits) ("Appendix B1") and sends it to the employee. In Appendix B1, the Minister estimates whether the available amount of funds to transfer from the Ontario Plan will be sufficient to provide equivalent service credits under the PSSP, or if there will be a shortfall. The deadline for the Minister to complete this step is within 3 months of receipt of Appendix A1 from the Ontario Plan.
- d. The employee completes Appendix B1, deciding whether to proceed with the transfer, and submits it to the Minister. The deadline to submit Appendix B1 is within 3 months of receipt of Appendix B1 from the Minister.
- e. If the employee proceeds with the transfer, the Ontario Plan pays the transfer amount. The Minister then calculates the amount of pensionable service that is countable under the PSSP in respect of that amount, based on the "valuation date", which is the date the Minister received the signed Appendix B1 form from the employee.
- f. If the amount received from the Ontario Plan is insufficient to obtain equivalent service credits under the PSSP, the Minister notifies the employee of the shortfall, and the employee's options in the circumstances.

18. The cost of transferring an equivalent amount of pensionable service from the Ontario Plan to the PSSP is calculated as of the valuation date. As a result, the final calculated cost may differ from the estimate provided by the Minister in Appendix B1. The calculation of the transfer cost is based on several factors, including the employee's age, service and number of dependents, as well as actuarial assumptions established pursuant to the *Public Pensions Reporting Act*.

Periodic Review of Actuarial Assumptions

19. The *Public Pensions Reporting Act, RSC, 1985, c 13 ("PPRA")* provides for a review of the actuarial assumptions underlying the PSSP every three years. At that time, an actuarial report is published and tabled before Parliament.

20. On or around June 21, 2012, the Actuarial Report on the Pension Plan for the Public Service of Canada ("Report") was tabled before Parliament. The Treasury Board Secretariat advised the Pension Centre of the revised actuarial assumptions, in light of the Report, in or around July, 2012.

21. The Federal Government informed the OPTrust and the OPB of the revised actuarial assumptions in the Report 60 days before they took effect, on or around September 1, 2012, pursuant to the terms of the PTAs.

22. The revised actuarial assumptions in the Report took effect on November 1, 2012.

Information from Defendants regarding the pension transfer process

23. The Defendants provided information regarding the pension transfer process to the Plaintiffs and other employees, including but not limited to the following information:

- a. The Pension Centre distributed an information package regarding the pension transfer process.

- b. Representatives of the Federal Government, as well as OPT and OPB, provided information sessions to employees regarding the pension transfer process. These sessions included PowerPoint presentations, which were provided to employees.
- c. The Pension Centre provided generic letters in response to employees' questions about the pension transfer process.

24. At no time before November 1, 2012, did the Defendants inform the Plaintiffs of the existence of the periodic review of actuarial assumptions underlying the PSSP pursuant to the *PPRA*.

25. At no time before November 1, 2012, did the Defendants inform the Plaintiffs of the revised actuarial assumptions that would take effect November 1, 2012, as found in the Report, tabled before Parliament on or around June 21, 2012.

26. At no time before November 1, 2012, did the Defendants inform the Plaintiffs that the cost of transferring their pensions would increase if their Appendix B1 forms were signed on or after November 1, 2012, as opposed to before November 1, 2012, in light of the revised actuarial assumptions.

Losses Incurred by Employees

27. The Plaintiffs signed and submitted their Appendix B1 forms, choosing to proceed with the pension transfer, after November 1, 2012. The cost of transferring their pensionable service increased as a result of the revised actuarial assumptions that took effect on November 1, 2012:

- a. Sean Thomas:
 - i. Mr. Thomas received his Appendix B1 on or around November 11, 2012.
 - ii. The Appendix B1 had an issue date of October 31, 2012, and the cost of transferring his pensionable service was calculated at \$88,360.26 (\$61,148.16 to transfer 5 years 60 days, plus \$27,212.20 to buy back the shortfall of 2 years 109 days) as of October 1, 2012.

- iii. Mr. Thomas signed his Appendix B1 on November 12, 2012.
 - iv. By letter from OPTrust, dated February 25, 2013, Mr. Thomas learned that the actual cost of transferring his pensionable service was \$98,238.85. He transferred his full service from the Government of Ontario.
 - v. Mr. Thomas received a refund of the commuted value excess of his pension from OPTrust in the amount of \$701.89, less applicable tax.
- b. Michael Dayal:
- i. Mr. Dayal received his Appendix B1 in or around November, 2012.
 - ii. The Appendix B1 had an issue date of November 19, 2012, and the cost of transferring his pensionable service was calculated at \$104,172.22 (\$64,667.93 to transfer 5 years 89 days, plus \$39,504.29 to buy back the shortfall of 3 years 74 days). The calculation date stated in the Appendix B1 was November 1, 2012; however, Mr. Dayal was informed by an employee at the Pension Centre that his estimate had been calculated on the basis of the actuarial assumptions in effect before November 1, 2012.
 - iii. Mr. Dayal signed his Appendix B1 on December 6, 2012.
 - iv. Mr. Dayal learned that the actual cost of transferring his pensionable service was \$113,485.61. He transferred his full service from the Government of Ontario.
- c. Lindsay Webb:
- i. Ms. Webb submitted her Appendix A1 on April 30, 2012.
 - ii. Ms. Webb received her Appendix B1 in November, 2012.
 - iii. The Appendix B1 had an issue date of November 15, 2012, and the cost of transferring her pensionable service was calculated at \$65,082.57 (\$42,299.97 to purchase 4 years 143 days, plus \$22,783.30 to buy back the shortfall of 2 years 133 days) as of October 1, 2012.

- iv. Ms. Webb signed her Appendix B1 on December 3, 2012.
 - v. Ms. Webb learned that the actual cost of transferring her pension by letters dated April 26, 2013, and May 27, 2013. The actual cost to transfer her pensionable service was \$71,984.44 (\$43,647.65, plus \$28,336.79 to buy back the shortfall).
 - vi. Ms. Webb transferred 4 years 35 days' service for \$43,647.65. She received a refund from OPTrust in the amount of \$15,230.18, less applicable tax.
- d. Douglas Robinson:
- i. Mr. Robinson received his Appendix B1 on November 8, 2012.
 - ii. The Appendix B1 had an issue date of October 30, 2012, and the cost of transferring his pensionable service of 26 years 341 days was calculated at \$612,625.25 as of October 31, 2012.
 - iii. Mr. Robinson signed his Appendix B1 on November 8, 2012.
 - iv. On or around January 14, 2013, Mr. Robinson learned that the actual cost of transferring his pension was \$643,643.93. This amount was confirmed in a letter from Linda Roach, OPB, dated January 23, 2013, and in a letter from Nicole Boudreau, Pension Centre, dated January 30, 2013. He transferred his full service from the Government of Ontario.

 - iv. The Appendix B1 had an issue date of December 12, 2012. The cost of transferring her pensionable service of 11 years 125 days was calculated at \$183,495.95 as of October 30, 2012.
 - v. Ms. Scanlon signed her Appendix B1 on January 11, 2013.

- vi. Ms. Scanlon learned that the actual cost of transferring her pension was \$194,260.98, by a letter from Irene Cendana, OPB, dated March 22, 2013. She transferred her full service from the Government of Ontario.
- vii. Ms. Scanlon received a refund of the commuted value excess of her pension from OPB in the amount of \$3,128.97, less applicable tax.

Communications between Plaintiffs and Defendants' Representatives

Sean Thomas

28. In or around February, 2013, Mr. Thomas spoke with a representative at OPTrust, to inquire as to why the amount of his expected refund from OPTrust had been reduced from over \$9,000 to \$660.84. The representative indicated that the reduction was the result of the change to the actuarial assumptions that took effect on November 1, 2012.

29. Mr. Thomas wrote to the Pension Centre to express his concern that he had not been made aware of the rate changes that took effect on November 1, 2012. He received a responding letter from Lucy St-Jean, Pension Centre, dated April 18, 2013, which stated in part:

Another of your concerns was in regards to not being made aware of the rate change effective November 1, 2012. One of the responsibilities of the Pension Centre, per the terms outlined in the PTA, is to advise the OPSEU of the rate change 60 days prior to the effective date, which we did. There are no requirements under the terms of the PTA to provide advance notice to any plan member of changes in assumptions or rates.

In order to treat everyone fairly and equally, we are required to follow the terms and conditions as outlined within the agreement that has been signed by both the Treasury Board of Canada Secretariat and the OPSEU. Therefore, the Public Service Pension Centre (PSPC) decision is that we will not be recalculating your pension transfer amounts using the rates in effect prior to November 1, 2012.

Michael Dayal

30. Mr. Dayal spoke with a representative of the Pension Centre in October, 2012, to enquire into the status of his pension transfer. He was informed that there were delays in processing the transfers for employees in the OSTAR group, but that the delays would not affect the cost of his transfer, because he had submitted his Appendix A1 within the specified timeframe.

31. When Mr. Dayal learned of the increased cost of the pension transfer due to the November 1, 2012 actuarial rate change, he wrote to Samantha Stratton-Stewart at the Pension Centre, by email dated February 18, 2013. He noted the conversation he had had with a Pension Centre representative in October, 2012, and stated that he had not been given all of the facts.

32. Mr. Dayal received an email from Liane Landry at the Pension Centre on February 21, 2013, in which she stated that the Pension Centre could not have provided estimates based on the new assumptions until the actuarial changes took effect. She also stated that the procedures in the PTAs did not require advance notice to members of changes in assumptions.

Douglas Robinson

33. Mr. Robinson emailed Nicole Boudreau of the Pension Centre on January 18, 2013, after learning of the increased cost of the pension transfer due to the November 1, 2012 actuarial changes. He asked why, since the Pension Centre knew these rates would increase on November 1, 2012, the Pension Centre did not fax or email him his Appendix B1 on October 30, 2012, to give him the opportunity to return his Appendix B1 before November 1, 2012.

34. Mr. Robinson received an email from Liane Landry at the Pension Centre on January 22, 2013. In her email, Ms. Landry stated, in part:

When we provided you your estimate in October, we did not have any systems/applications that would allow an estimate to be calculated beyond an October 31, 2012 valuation date. Therefore, we provided you with the most accurate estimate we could give at that given time. Unfortunately, in your case, there is a significant difference between your estimated transfer amount and your actual required transfer amount.

You are correct when you state that we were aware that our rates were changing effective November 1, 2012. As these calculations are made using actuarial methodologies, any changes in the factors involved will have [an] impact on the resulting amount. However, as each case is different, there was no way we could have known that these rate changes would increase your required transfer amount. In fact, for another individual, the result may be more positive, and we were not in a position to be able to differentiate if the outcome would be positive or negative in any manner, for everyone currently involved in the PTA process. As such we were not able to advise you (or any others) of the changes in transfer amounts.

35. In response to a further letter from Mr. Robinson, Ms. Landry sent another email on February 14, 2013. In her email, she confirmed that Mr. Robinson's transfer amount increased because his Appendix B1 was received after November 1, 2012. She stated, in part:

The way the Pension Centre processes cases is not influenced by upcoming changes in assumptions. Cases are processed as per our operational standards and based on the procedures outlined in the agreement. This procedure does not include advance notice to members of changes in assumptions. The intent is that the amount required be established on the date the member makes a formal transfer request, using the most up-to-date assumptions and available tools in effect at that time. Therefore, estimates on the new assumptions cannot be provided until the change takes effect. Prior to this we do not know how the change in assumptions will impact each individual.

36. Ms. Landry informed Mr. Robinson that he could write to Chantal Vautour, Manager, Pension Client Services, if he wished to register a complaint about the way his case was handled. Mr. Robinson wrote to Ms. Vautour and Ms. Landry on April 3, 2014. Ms. Vautour responded by email on April 10, 2013, writing in part:

One of the responsibilities of the Pension Centre, per the terms outlined in the Pension Transfer Agreement (PTA), is to advise the Ontario Pension Board (OPB) of the rate change 60 days prior to the effective date, which we did. There are no requirements under the terms of the PTA to provide notice to any plan member of changes in assumptions or rates.

As you signed your Appendix B1 after October 31, 2012, the rates in effect as of November 1, 2012 were used in your pension transfer calculations. We have followed the terms and provisions of the PTA as agreed upon by the Treasury Board of Canada Secretariat and the Ontario Pension Board. We will not be recalculating your pension transfer amounts using the rates in effect prior to November 1, 2012.

Negligent Misrepresentation

37. The damages incurred by the Plaintiffs were caused by the negligent misrepresentation of the Defendants as follows.

38. As administrator of the OPSEU Pension Plan, the OPT owed Mr. Thomas, Mr. Dayal, and Ms. Webb a duty of care at all material times as members of the pension plan.

39. As administrator of the PSPP, the OPB owed Mr. Robinson and Ms. Scanlon a duty of care at all material times as members of the pension plan.

40. As administrator of the PSSP, Her Majesty the Queen in right of Canada owed the Plaintiffs a duty of care at all material times as prospective members or members of the PSSP.

41. The Defendants' duty of care to the Plaintiffs included the duty to provide accurate and complete information regarding the pension transfer process.

42. The Defendants possessed the necessary, specialized knowledge regarding the pension transfer process. At all material times, the Defendants possessed knowledge of the existence of the periodic review of the actuarial assumptions underlying the PSSP. At various times, the Defendants gained knowledge of the revisions to the actuarial assumptions that would take effect on November 1, 2012:

- a. The Federal Government gained knowledge of the revisions in or before July, 2012;

- b. OPTrust gained knowledge of the revisions on or before September 1, 2012; and
- c. The OPB gained knowledge of the revisions on or before September 1, 2012.

43. The Defendants failed to inform the Plaintiffs of the following relevant information before November 1, 2012, which constitutes a misrepresentation:

- a. The existence of the periodic review of actuarial assumptions underlying the PSSP pursuant to the *PPRA*;
- b. The revised actuarial assumptions that would take effect November 1, 2012, as found in the Report, tabled before Parliament on or around June 21, 2012; and,
- c. That the cost of transferring their pensions would increase if their Appendix B1 forms were signed on or after November 1, 2012, as opposed to before November 1, 2012, in light of the revised actuarial assumptions.

44. The Defendants knew or ought to have known that the above information was material to the Plaintiffs' decisions whether to proceed with the pension transfer, and if so, their decisions as to when they would sign the Appendix B1 forms.

45. The Plaintiffs signed their Appendix B1 forms after November 1, 2012, in reasonable reliance on the information provided by the Defendants, and it could be reasonably anticipated by the Defendants that the Plaintiffs would rely on the information provided.

46. The Plaintiffs' reliance on the information provided by the Defendants was detrimental to the Plaintiffs, resulting in an increased cost to transfer their pensionable service from the Ontario Plans to the PSSP. If the Defendants had provided accurate and complete information to the Plaintiffs, they would have

signed their Appendix B1 forms prior to November 1, 2012, and would not have incurred this increased cost.

Breach of Fiduciary Duty

47. Further, and in the alternative, the damages incurred by the Plaintiffs were caused by the Defendants' breach of fiduciary duty as follows.

48. As administrator of the OPSEU Pension Plan, the OPT owed Mr. Thomas, Mr. Dayal, and Ms. Webb a fiduciary duty at all material times as members of the pension plan.

49. As administrator of the PSPP, the OPB owed Mr. Robinson and Ms. Scanlon a fiduciary duty at all material times as members of the pension plan.

50. As administrator of the PSSP, Her Majesty the Queen in right of Canada owed the Plaintiffs a fiduciary duty at all material times as prospective members or members of the PSSP.

51. The Plaintiffs relied on the guidance and advice of the Defendants regarding the pension transfer process, and the Defendants were aware of that reliance.

52. The Defendants failed to make full disclosure of all material information in providing information and advice regarding the pension transfer process. The Plaintiffs suffered losses in the form of an increased cost of transferring their pensionable service, as a result of the Defendants' breach.

Negligence

53. The losses incurred by the Plaintiffs, Ms. Webb and Ms. Scanlon, were caused by the Defendants' negligent misrepresentations and/or breach of fiduciary duty, as aforesaid, as well as the Defendants' negligence in processing their requests for the transfer of their pensions.

54. As administrator of the OPSEU Pension Plan, the OPT owed Ms. Webb a duty of care at all material times as a member of the pension plan.

55. As administrator of the PSPP, the OPB owed Ms. Scanlon a duty of care at all material times as a member of the pension plan.

56. As administrator of the PSSP, Her Majesty the Queen in right of Canada owed Ms. Webb and Ms. Scanlon a duty of care at all material times as prospective members or members of the PSSP.

57. The Defendants breached their duty of care to Ms. Webb and Ms. Scanlon by failing to process their request for transfer of their pensions in accordance with the timelines prescribed in the Pension Transfer Agreement. The delay in processing their requests for transfer of their pension contributed to the losses, as aforesaid, by causing them to be unable to sign Appendix B1 before November 1, 2012.

58. Other members of the classes which the Plaintiffs represent have sustained damages as a result of the Defendants' conduct, negligence, negligent misrepresentations, and breach of fiduciary duty, as aforesaid.

59. The Plaintiffs plead and rely upon the provisions of the *Negligence Act*, RSO, 1990, c N.1.

60. The Plaintiffs further plead and rely upon the provisions of the *Class Proceedings Act*, 1992, SO 1992, c 6, and upon Rules 5 and 12 of the *Rules of Civil Procedure*.

Trial Location

61. The Plaintiffs propose that this action be tried in Ottawa, Ontario.

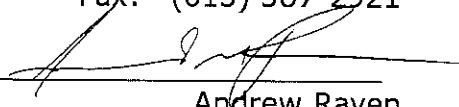

ALL OF WHICH IS RESPECTFULLY SUBMITTED,

Dated this 28th day of November, 2014.

TERM SHEET

Subject to memorialization in a settlement agreement with further terms (the "Settlement Agreement"), the Defendants and the Plaintiffs (on behalf of the putative Class), agree to the following terms:

Class Definition

1. The class will be defined in substantially the same way as it was defined in the statement of claim.

Common Issue

2. In the certification order to be entered by the court for the purpose of approving the Settlement Agreement, the Parties agree to seek certification of the following common issue:
 - a) Are any of the Defendants liable in negligence?

Payment by Defendants

3. The Defendants agree to make payment as follows, in full and final settlement of this proceeding, all inclusive:
 - a. The Attorney General of Canada ("Canada") will pay a total of \$2,567,000, all inclusive;

- b. Ontario Public Service Employees' Union Pension Plan Board of Trustees ("OPTrust") will pay a total of \$195,000, all inclusive; and
 - c. Ontario Public Service Pension Board ("OPB") will pay a total of \$38,000, all inclusive.
4. The Defendants will also make the following payments to Raven, Cameron, Ballantyne and Yazbeck in trust as legal costs of the proceedings, by a date to be agreed upon by the parties:
 - a. \$200,000, contributed by Canada;
 - b. \$25,000, contributed by OPTrust; and
 - c. \$25,000, contributed by OPB.
5. The Defendants' payments set out in paragraphs 3 and 4 are the total payments to be made by the Defendants and will not be exceeded for any purpose, or under any circumstances. Furthermore, no amounts will be deducted from these amounts for the costs of administering this agreement.
6. For the purposes of implementing the terms of this settlement, OPB and OPTrust agree to pay their amounts as set out in paragraph 3 to Canada by a date to be agreed upon by the parties.

Allocation of Amounts to Class Members

7. The Plaintiffs and Canada will work together to develop a Plan of Allocation to distribute the \$2.8 million in paragraph 3 to the class members, which is subject to approval by the court.
8. OPB and OPTrust will not be involved in the process regarding the allocation to the class members, and are not responsible in any way regarding this process or the ultimate allocation to the class members.
9. Payments to class members will not be subject to withholdings. The parties make no warranty as to the taxation of these amounts.

Payment and Verification Process

10. The Plaintiffs and Canada will work together to prepare Notice of Payment for each class member that will identify the amount that the Class Member is expected to receive as well as the basis on which that calculation was made. Canada will send Notice of Payment to each class member.

11. The Plaintiffs and Canada will establish timelines for individual class members to raise concerns regarding the calculation of their amounts or their membership in the class.
12. Class Counsel will be responsible for all communications with potential class members, including explanations of the settlement process and the calculation of amounts payable and shall address all questions and complaints from class members. If Class Counsel determines that a class member has raised a legitimate question, concerns or objections, Class Counsel shall forward the matter to Canada for discussion. Class Counsel and Canada will work to resolve the situation. If Class Counsel and Canada cannot agree on a resolution, or the class member does not accept that resolution, the Parties will agree on a process for resolution of the dispute.
13. Class Counsel and Canada may agree on the adjustment of the amounts payable to take account of any discrepancies or resolutions but in no case shall the Attorney General of Canada be required to pay more than the capped amount agreed to in this settlement.
14. Following confirmation of the amounts payable to each of the class members, Canada agrees to distribute the final cheques to class members.
15. Any cheques returned as non-deliverable where the intended recipient cannot otherwise be located will not be used to increase the pro rata amounts agreed to above.
16. OPB and OPTrust will not be involved in the process described in paragraphs [10-15], and will not be required to take any step, and are not responsible in respect of any notice, claims process, or ultimate payment to the class members. OPB and OPTrust agree to provide information to Class Counsel and or Canada in response to reasonable requests from them to address any concern or objection made by a class member.

Notice and Administration

17. The Plaintiffs and Canada will work cooperatively to establish an appropriate notice plan and the content of such notice to notify class members of the certification and settlement approval motions, and of settlement approval. Canada agrees to distribute notice materials.

Certification and Settlement Approval Notice

18. Following the execution of a Settlement Agreement, the plaintiffs are to promptly bring motions to the court for approval of the notice plans, for

certification (for settlement purposes), settlement approval, and approval of the Plan of Allocation. The sequencing and timing of these motions are to be negotiated between the parties. The motion materials are to be provided to defendants' counsel for review and approval.

19. The Parties agree to establish an opt-out threshold on terms to be agreed upon by the Parties.

20. Upon approval of the settlement, the action is to be dismissed without costs and with prejudice.

No Admission of Liability and Releases

21. This settlement is made without admission of liability with respect to the allegations in the proceeding.

22. All Class Members who do not validly opt out of the settlement will be deemed to have executed a full and final release.

23. The Defendants expressly reserve all of their rights if the Settlement Agreement is not approved, is terminated, or otherwise fails to take effect for any reason.

Settlement Agreement

24. The parties will negotiate and execute a Settlement Agreement, which they will seek to do by June 18, 2021. If there is any dispute which cannot be resolved regarding the formalization of the terms of the Settlement Agreement, such dispute shall be mediated by William Kaplan.

SCHEDULE "D" – PHASE I: CERTIFICATION AND SETTLEMENT APPROVAL HEARING NOTICE MATERIALS

NOTICE OF PROPOSED SETTLEMENT IN THE ONTARIO SALES TAX ADMINISTRATION REFORM ("OSTAR") PENSION TRANSFER CLASS ACTION

This lawsuit affects individuals who transferred their pensionable service from either the OPSEU Pension Plan or the Ontario Public Service Pension Plan into the Federal Public Service Superannuation Plan, as part of the Ontario Sales Tax Administration Reform and who experienced increased transfer costs as a result of transferring their pensionable service **after November 1, 2012**. If you have received this notice directly from Canada, you are already considered a Class Member. If you have not, you should contact Class Counsel as soon as possible. Please read this notice carefully.

The Ontario Superior Court authorized this notice. This is not a solicitation from a lawyer.

This notice relates to the transfer of pensionable service from either the OPSEU Pension Plan or the Ontario Public Service Pension Plan, into the Federal Public Service Superannuation Plan, for individuals who became employees of the Canada Revenue Agency before November 1, 2012. Employees received an initial estimate of the cost to transfer their pensionable service into the federal government pension plan. For many employees, however, the cost to transfer their pensionable service increased because they did not submit their Appendix B1 forms to the Government of Canada ("**Canada**") before November 1, 2012. Five employees initiated a class action lawsuit against Canada, the OPSEU Pension Plan Trust Fund ("**OPTrust**")³ and the Ontario Public Service Pension Board ("**OPB**") (collectively, the "**Defendants**") regarding this issue, claiming the difference between the amount required by the federal pension plan on the basis of the November 1, 2012 actuarial assumptions and the amount that would have been required by the federal pension plan on the basis of the actuarial assumptions before November 1 2012.

The Defendants have agreed to a settlement regarding a class action lawsuit for current and former employees who transferred their pensionable service from provincial pension plans to the Federal Public Service Superannuation Plan as part of the Ontario Sales Tax Administration Reform ("**OSTAR**") process and who experienced increased transfer costs due to transferring their pensionable service after November 1, 2012. The Defendants do not admit any liability.

³ Incorrectly named in the title of proceeding as "Ontario Public Service Employees' Union Pension Plan Board of Trustees."

All persons who became employees of the Canada Revenue Agency before November 1, 2012 and who experienced increased transfer costs when they transferred their pensionable service after November 1, 2012 may receive compensation.

The class is defined as:

All persons who became employees of the Canada Revenue Agency prior to November 1, 2012, as part of the Ontario Sales Tax Administration Reform ("OSTAR") process, who transferred their pensionable service from the OPSEU Pension Plan or the Public Service Pension Plan to the Public Service Superannuation Plan, and whose pension transfers were completed on the basis of the actuarial assumptions that took effect in the Public Service Superannuation Plan on November 1, 2012.

A hearing to determine if the proposed settlement is fair, reasonable, and in the best interests of the Class Members is scheduled to take place in Ottawa or by videoconference on June 12, 2024 at 10:00 a.m.

If approved, the settlement provides that you will receive compensation which is related to the amount that your federal pension transfer amount changed as a result of actuarial changes made by Canada on November 1, 2012. If the Ontario Superior Court approves the settlement, you will receive a preliminary estimate of the payment that you may receive along with an explanation of how that payment was calculated. Once the payment amounts are finalized, you will receive a cheque with your compensation amount.

What are your legal rights and options?

1. Do Nothing	If you support the settlement agreement, you do not have to do anything right now. Please note that by doing nothing, in exchange for the compensation you are eligible to receive under the settlement, you will give up any right to object to the settlement and you will give up the right to sue Canada, OPTrust, OPB, or others on your own in relation to your pension transfer.
2. Opt Out	If you do not want to be bound by the proceeding and the settlement if it is approved by the Ontario Superior Court, you can Opt Out of the class action at that time. More information about how and when to Opt Out will be provided if the settlement is approved. If you Opt Out you will not receive any compensation from the settlement, but you will keep whatever right you may have to sue Canada, OPTrust, OPB or others on your own in relation to your pension transfer. You would be responsible to retain your own counsel, at your own expense, in respect of any such proceedings, and pay any adverse order of costs ordered by the Court if you were unsuccessful.
3. Submit a statement of support	If you do not wish to attend the hearing, but you would like to explain why you support the settlement, you can complete a Participation Form. This form will include your name, address and the reasons why

	you support the settlement. The Participation Form is enclosed. You must mail this form to RavenLaw LLP and it must be received or postmarked by no later than June 3, 2024 .
4. Object to the proposed settlement	If you do not wish to attend the hearing, but you would like to object to the settlement, you can also complete a Participation Form. This form will include your name, address and the reasons why you object to the settlement. The Participation Form is enclosed. You must mail this form to RavenLaw LLP and it must be received or postmarked by no later than June 3, 2024 .
5. Participate at the settlement hearing	You can attend the approval hearing of the Ontario Superior Court on June 12, 2024 at 10:00 a.m. to participate in the proceeding and seek permission to voice your support or objection to the proposed settlement. The Court will decide if you will be permitted to make oral submissions at the time of the hearing. The hearing will take place either in Ottawa or by videoconference.

How much compensation am I eligible for?

Under the proposed settlement, the amount of compensation you receive will be calculated based on the difference between the amount required to transfer your pensionable service from the provincial pension plan to the federal pension plan after November 1, 2012 and the amount that would have been required if you had elected to transfer your pensionable service before that date. The level of compensation will also depend on: (1) where you were in the pension transfer process as of November 1, 2012, and (2) the effect of any delays on the part of the Defendants under the applicable pension transfer agreements in processing your pension transfer.

The settlement agreement includes the following allocation of settlement funds:

Group 1: Any Class Member who signed their Appendix B1 form before November 1, 2012, or, all else being equal, would have signed their Appendix B1 form before November 1, 2012 if all timelines under the Pension Transfer Agreement had been met by the Defendants.

By way of example, a Class Member who signed their Appendix B1 form on November 9, 2012 but for whom one or more Defendants exceeded timelines in the Pension Transfer Agreements by a total of 10 days would fall into Group 1.

It is anticipated that members of Group 1 will receive approximately **85%** of the difference between the amount required by the federal pension plan on the basis of the November 1, 2012 actuarial assumptions and the amount that would have been required by the federal pension plan on the basis of the actuarial assumptions before November 1 2012, as at the Payment Date.

Group 2: Any Class Member who is not part of Group 1 and whose Appendix B1 form was issued before November 1, 2012, or, all else being equal, whose Appendix B1 form would have been issued before November 1, 2012 had all timelines under the Pension Transfer Agreement been met by the Defendants.

By way of example a Class Member whose Appendix B1 form was issued on November 9, 2012 but for whom one or more Defendants exceeded timelines in the Pension Transfer Agreements by a total of 10 days would fall into Group 2.

It is anticipated that members of Group 2 will receive approximately **65%** of the difference between the amount required by the federal pension plan on the basis of the November 1, 2012 actuarial assumptions and the amount that would have been required by the federal pension plan on the basis of the actuarial assumptions before November 1 2012, as at the Payment Date.

Group 3: Members who do not fall into one of the above categories.

It is anticipated that members of Group 3 will receive approximately **50%** of the difference between the amount required by the federal pension plan on the basis of the November 1, 2012 actuarial assumptions and the amount that would have been required by the federal pension plan on the basis of the actuarial assumptions before November 1 2012, as at Payment Date.

Note: The above amounts are inclusive of all pre and post judgment interest. The percentages identified above may need to be adjusted up or down in light of the \$2.8 million aggregate cap on payments in the settlement. If you have already received compensation from one of the Defendants with respect to the issue raised by this class action, the amount of that compensation you previously received will be deducted from the amount you are entitled to under this agreement. A copy of the agreement is available at ravenlaw.com, psacunion.ca, and pipsc.ca.

The Defendants have agreed to pay legal costs in the amount of \$250,000, inclusive of any taxes and disbursements. Legal fees will not be deducted from amounts to be paid to Class Members.

If you are a Class Member, you must ensure that your contact information is up to date with the Government of Canada Pension Centre. If you need to update your current mailing address or email address please email the Pension Centre at SPAC.SHERecoursSHEAction.PSPC@tpsgc-pwgsc.gc.ca.

If you have received this notice directly from Canada, you are already considered a Class Member. If you have not, you should contact Class Counsel as soon as possible.
Please read this notice carefully.

The Ontario Superior Court authorized this notice. This is not a solicitation from a lawyer.

This notice relates to the transfer of pensionable service from either the OPSEU Pension Plan or the Ontario Public Service Pension Plan, into the Federal Public Service Superannuation Plan, for individuals who became employees of the Canada Revenue Agency before November 1, 2012 as part of the Ontario Sales Tax Administration Reform ("**OSTAR**") process. Employees received an initial estimate of the cost to transfer their pensionable service into the federal government pension plan. For many employees, however, the cost to transfer their pensionable service increased because they did not submit their Appendix B1 forms to the Government of Canada ("**Canada**") before November 1, 2012. Five employees initiated a class action lawsuit against Canada, the OPSEU Pension Plan Trust Fund ("**OPTrust**")² and the Ontario Public Service Pension Board ("**OPB**") (collectively, the "**Defendants**") regarding this issue, claiming the difference between the amount required by the federal pension plan on the basis of the November 1, 2012 actuarial assumptions and the amount that would have been required by the federal pension plan on the basis of the actuarial assumptions before November 1 2012.

On consent of the parties, on June 14, 2024, the Ontario Superior Court certified the lawsuit as a class proceeding and approved a settlement agreement that provides compensation to Class Members who experienced an increase in the transfer amount required by the Federal Public Service Superannuation Plan. The settlement is not to be construed as an admission of liability or wrongdoing on the part of the Defendants.

² Incorrectly named in the title of proceeding as "Ontario Public Service Employees' Union Pension Plan Board of Trustees."

All persons who became employed by the Canada Revenue Agency before November 1, 2012 as part of the OSTAR process and who experienced increased transfer costs when they transferred their pensionable service after November 1, 2012 may be eligible to receive compensation.

The class is defined as:

All persons who became employed by the Canada Revenue Agency prior to November 1, 2012, as part of the Ontario Sales Tax Administration Reform ("OSTAR") process, who transferred their pensionable service from the OPSEU Pension Plan or the Public Service Pension Plan to the Public Service Superannuation Plan, and whose pension transfers were completed on the basis of the actuarial assumptions that took effect in the Public Service Superannuation Plan on November 1, 2012.

The settlement provides that you may be entitled to receive compensation related to the amount that your federal pension transfer amount changed as a result of actuarial changes made by Canada on November 1, 2012. You will receive a preliminary estimate of the payment along with an explanation of how that payment was calculated. Once the payment amounts are finalized, you will receive a cheque with your compensation amount.

How much compensation am I eligible for?

Under the proposed settlement, the amount of compensation you receive will be calculated based on the difference between the cost to transfer your pensionable service from the provincial pension plan to the federal pension plan after November 1, 2012 and the transfer cost if you had elected to transfer your pensionable service before that date. The level of compensation will also depend on: (1) where you were in the pension transfer process as of November 1, 2012, and (2) the effect of any delays on the part of the Defendants under the applicable pension transfer agreements in processing your pension transfer.

The settlement agreement includes the following allocation of settlement funds:

Group 1: Any Class Member who signed their Appendix B1 form before November 1, 2012, or, all else being equal, would have signed their Appendix B1 form before November 1, 2012 if all timelines under the Pension Transfer Agreement had been met by the Defendants.

By way of example, a Class Member who signed their Appendix B1 form on November 9, 2012 but for whom one or more Defendants exceeded timelines in the Pension Transfer Agreements by a total of 10 days would fall into Group 1

It is anticipated that members of Group 1 will receive approximately **85%** of the difference between the amount required by the federal pension plan to transfer their pensionable service on the basis of the November 1, 2012 actuarial assumptions and the amount that would have been required by the federal pension plan on the basis of the actuarial assumptions before November 1 2012, as at the Payment Date.

Group 2: Any Class Member who is not part of Group 1 and whose Appendix B1 form was issued before November 1, 2012, or, all else being equal, whose Appendix B1 form would have been issued before November 1, 2012 had all timelines under the Pension Transfer Agreement been met by the Defendants.

By way of example a Class Member whose Appendix B1 form was issued on November 9, 2012 but for whom one or more Defendants exceeded timelines in the Pension Transfer Agreements by a total of 10 days would fall into Group 2.

It is anticipated that members of Group 2 will receive approximately **65%** of the difference between the amount required by the federal pension plan to transfer their pensionable service on the basis of the November 1, 2012 actuarial assumptions and the amount that would have been required by the federal pension plan on the basis of the actuarial assumptions before November 1 2012, as at the Payment Date.

Group 3: Members who do not fall into one of the above categories.

It is anticipated that members of Group 3 will receive approximately **50%** of the difference between the amount required by the federal pension plan to transfer their pensionable service on the basis of the November 1, 2012 actuarial assumptions and the amount that would have been required by the federal pension plan on the basis of the actuarial assumptions before November 1 2012, as at Payment Date.

Note: The above amounts are inclusive of all pre and post judgment interest. The percentages identified above may need to be adjusted up or down in light of the \$2.8 million aggregate cap on payments in the settlement. If you have already received compensation from one of the Defendants with respect to the issue raised by this class action, the amount of that compensation you previously received will be deducted from the amount you are entitled to under this agreement. A copy of the agreement is available at ravenlaw.com, psacunion.ca, and pipsc.ca.

SCHEDULE "H" – SAMPLE NOTICE OF INITIAL ESTIMATE OF PAYMENT

Dear Class Member:

You are receiving this letter because you are entitled to receive compensation under the terms of the settlement of a class proceeding brought by employees of the Canada Revenue Agency who transferred their pensionable service from either the Ontario Public Service Employees' Union Pension Plan or the Ontario Public Service Pension Plan to the Federal Public Service Superannuation Plan as part of the Ontario Sales Tax Administration Reform Process.

The amount of compensation you are entitled to receive is related to the difference between the amount required by the federal pension plan to transfer your pensionable service from the provincial pension plan to the federal pension plan after November 1, 2012, and the amount that would have been required if you had elected to transfer your pensionable service before that date, based on the actuarial assumptions that were in place before November 1, 2012.

The determination of your final payment will be based on two steps.

At step one, an initial estimate of your settlement amount has been calculated based on a percentage of the difference identified above. The following information was used to calculate your initial estimate:

- Your Appendix B1 form was issued on [DATE]
- You signed your Appendix B1 form on [DATE]
- The Federal Transfer Amount Applied to you at Payment Date:
\$ _____
- The Federal Transfer Amount that would have paid on that date, using the actuarial assumptions in force before November 1, 2012: \$ _____
- The difference between the two Federal Transfer Amounts at Payment Date:
\$ _____

In your case, your step one calculation is based on [Percentage] of the [\$ _____] difference, which results in an initial estimated payment of [\$ _____].

At step two, the initial estimate identified above will be adjusted, either up or down, in light of the aggregate cap in the settlement agreement to determine the final amount of compensation you will receive.

If any of the above information is incorrect, or if you believe there is a mistake in the calculations, you must contact Class Counsel before [insert date] at the contact information provided below. Do not contact Canada, OPTrust or OPB in this regard.
